Jointly Sponsored with Hartford Hospital, Saint Francis Hospital
and Medical Center, and UConn Health Center

Cancer in the 21st Century: Early Perspectives

2001 Annual Fall Membership Meeting
62nd Anniversary

Educational Objectives

This course is designed to enhance the knowledge and skills of the physicians involved in the management of cancer patients.

All scientific papers selected are based on scientific rigor, clinical relevance to the NECS membership, and potential impact on patient care.

The program will include lectures and audience discussion by way of Proffered Abstracts, Scientific Sessions, Oral Presentations, Poster Presentations, Interactive Sessions, and Invited Speakers.

Who Should Attend

This program is designed for the membership of the New England Cancer Society, associate members, and guests. Nonmember oncologists are cordially invited to attend.

Location

The headquarters for the 62nd NECS Annual Meeting will be the Hilton Mystic Hotel, 20 Coogan Boulevard, Mystic, CT 06355.

Easy access from:

SOUTH (New Haven – 1 hour) Interstate 95 North to Exit 90;

NORTH (Providence – 45 minutes) Interstate 95 South to Exit 90;

SOUTH (Boston – 1 hour and 45 minutes) Southeast Expressway (Route 93 South) to Route 128 North, to Interstate 95 South, to Exit 90;

HARTFORD (1 hour) Route 2 East to Exit 28s (395 South) to Exit 78, Route 32 South (New London) to Interstate 95 North to Exit 90;

WORCESTER (1 hour and 45 minutes) Interstate 395 South to Exit 78, Route 32 South (New London), to Interstate 95 North, to Exit 90.

Phone: (860) 572-0731; Fax: (860) 572-0328; Directions: www.hilton.com or call the Hilton at 1-800-HILTONS.

CME Credit

St. Francis Hospital and Medical Center is accredited by the Connecticut State Medical Society to sponsor medical education for physicians. This conference has been approved by St. Francis Hospital and Medical Center for a maximum of 9 hours in category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he or she actually spent in the educational activity.

Educational Support

We gratefully acknowledge the support of the following companies, which have provided unrestricted educational grants received prior to the deadline set for printing this brochure.

Alza Pharmaceuticals, Amgen, Inc., AstraZeneca, Aventis, Bristol-Myers Squibb Oncology, GE Medical Systems, Glaxo Wellcome, Johnson & Johnson, The Liposome Company, Novartis, Ortho Biotech, Pharmacia & Upjohn Oncology, Purdue Pharma, Roche Laboratories, Inc., Schering Oncology, Sigma-Tau Pharmaceutical, IDEC Pharmaceuticals, and MGI Pharma, Inc.

Registration and Tuition

Early registration by mailing the completed registration form is advised. The registration fee includes course tuition, educational materials, breakfast, lunch, refreshment breaks, and CME Credits.

NECS Members: \$90 (includes all scientific sessions and social functions)

NECS Nonmember Physicians: \$90 (includes scientific sessions only)

Residents not presenting papers: \$45 (includes scientific sessions only)

Residents presenting papers will automatically be registered for scientific sessions only. They are invited to attend all social functions as guests of the Society but are asked to register for those functions they wish to attend.

Payment

Please make checks payable to the New England Cancer Society. Mail check and registration form to:

New England Cancer Society
901 Cundy's Harbor Road
Harpswell, ME 04079

About Mystic, CT, and Activities for Guests and Families:

Plan on bringing your entire family. Mystic is a historic and fun area to visit and there are activities for all ages to enjoy.

Mystic is located in southeastern Connecticut. One mile from the Hilton Mystic Hotel is the renowned Mystic Seaport, a 19th century village filled with historic New England homes, maritime trade buildings, and boat-building shops. Directly across from the Hilton Mystic Hotel is the Mystic Aquarium where beluga whales, Atlantic dolphins, sharks, penguins, and fish of all sizes are on view. At Olde Mistick Village you will experience 17th century charm and beauty in the numerous quaint shops that feature many unusual, imported items. Downtown Mystic boasts a truly New England experience in the individually owned shops that line the streets of this town along the Mystic River. The life story of the Mashantucket Pequot Tribe and its lands, from the glaciers of prehistoric New England to the activities of present-day tribal members, is featured at the Mashantucket Pequot Museum and Research Center. And only 10 miles down the road, the Foxwoods Resort Casino presents excitement and a wide variety of entertainment venues.

Cancellation Policy

If you cancel your registration before Monday, November 5, the total fee (program, registration, and social event registration) is refundable, less a \$25 processing charge. After that date, no refunds will be given for any reason — including weather and other emergencies. Substitutions are always acceptable with prior notification.

Deadline

Preregistration will be closed when space is full or at 5:00 p.m. on November 5 at the latest. Registration should not be mailed unless receipt by that time can be guaranteed.

Confirmation

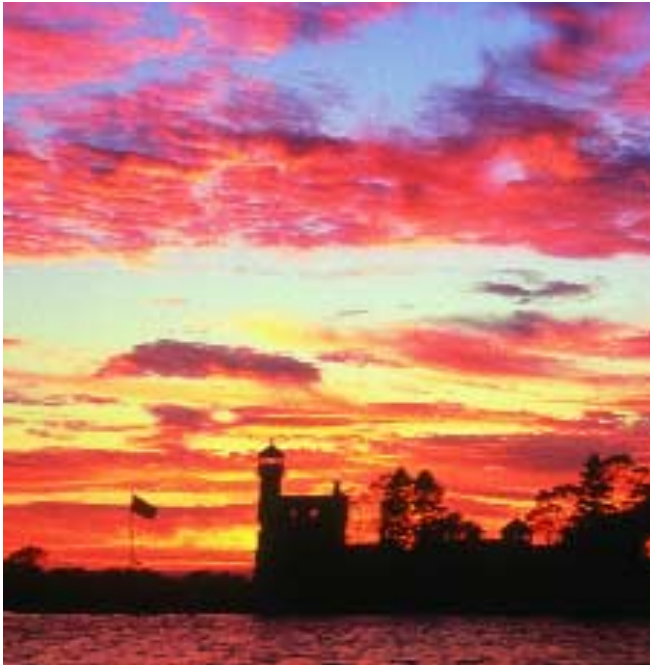

Meeting registration confirmation will be sent upon request only.

Weather Emergency Policy

While the delay or cancellation of the program is highly unlikely, we recognize that we are all subject to the capriciousness of New England weather. If a weather emergency does occur and you are in doubt as to whether or not the conference will be held, call the Hilton Mystic Hotel at (860) 572-0731 after 6:00 p.m. on November 7.

NECS Social Events

The 2001 social program has been planned to be of interest to all ages, and we hope that many of you will take advantage of the many offerings and include your families.

Luncheon: Upon arrival on Friday, you, your family, and guests are invited to partake of a complimentary buffet luncheon in the NECS meeting reception area.

Reception: Friday evening, a welcoming reception to renew old friendships and make new ones will be held in the hotel ballroom. A talented musician will entertain you while you sample the creative offerings of the hotel's chef, featuring succulent seafood from the "raw bar" dory, a gourmet station geared to appeal to the younger appetite, and many other interesting and tasty surprises.

Foxwoods: Following the academic sessions on Saturday, (from 3:30-5:30 pm), a free shuttle bus will be available for you to visit "The Wonder of it All" at Foxwoods Resort Casino.

Presidential Banquet: Saturday evening we all will wander across the street to the world famous [Mystic Aquarium](#) for an evening of exploration into the wonders of the sea with a special performance. Enter the ecosystems of the [Sunlit Seas](#) for a glimpse into the fascinating world of fish and invertebrates, take an interactive journey through the [Challenge of the Deep](#), and visit naturalistic habitats in the outdoor exhibits featuring the [Alaskan Coast](#). And enjoy the many interesting culinary delights, from "Rustic Tuscan" to "French Country," prepared for us by Classic Fare Catering.

Breakfast(s): On Saturday, a complimentary continental breakfast will be available for all in the NECS meeting reception area. On Sunday, a hearty, farewell breakfast buffet will be served for all NECS attendees, guests, and families in the Maritime Room.

NECS Meeting Headquarters

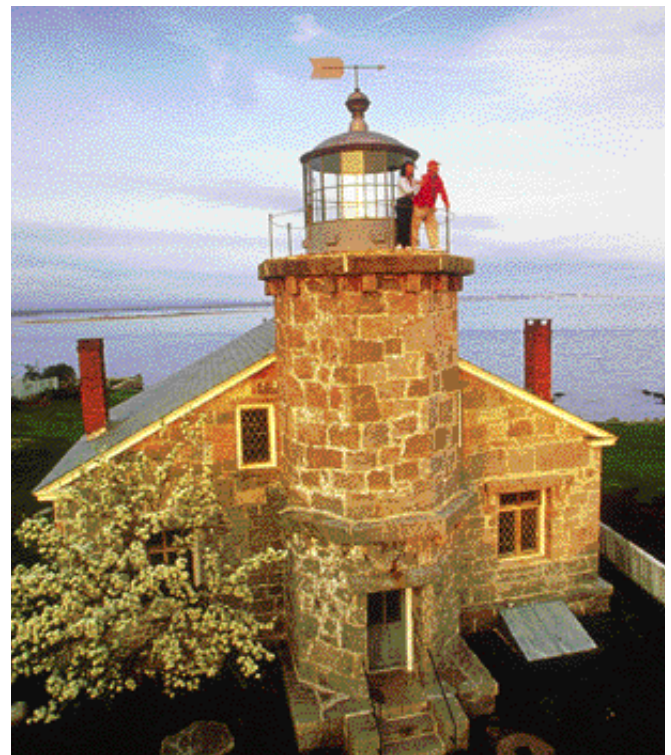

The Hilton Mystic Hotel is the headquarters for the NECS 2001 Fall Meeting. You will find that your every need is anticipated and will be met with superior service. A nautical theme is evident throughout the facility, with polished brass, fine woodwork, rich dark-blue coloring, and tasteful accommodations. The Hilton Mystic combines the flavor of nautical New England with superior service, accommodations, and location to create the perfect meeting destination.

Accommodations

Rooms are available at the Hilton Mystic at a discounted rate for NECS meeting participants. A block of rooms has been reserved for the nights of November 9 and 10, 2001. The reduced conference rate for these nights is \$115.00 per room, per night, for single or double occupancy. A 12 percent hotel tax is applicable. To reserve accommodations, call the hotel directly at (860) 572-0731 or 1-800-HILTONS. Be sure to mention the New England Cancer Society Fall Program to receive the conference rate.

The "kid friendly" Hilton Mystic Hotel is all about family, and it is geared to accommodate the needs of children of all ages, with bike rentals, a playground, an indoor swimming pool, a lending library of books and games, and specially scheduled (free) family movies and entertainment. Individualized housekeeping and laundry/valet services are also available.

Participants are responsible for their own accommodations. Other events have been scheduled for these dates in the Mystic area, so we strongly encourage you to reserve accommodations early to guarantee room rate and availability. The conference rate is available only until October 19, 2001.

Guest and Spouse Program

Within walking distance of the hotel (1 mile) or by car (with ample and convenient parking) is the famed Mystic Seaport Museum, our country's leading maritime museum. Set sail for the seaport and take part in this unique shipyard where the lost art of wooden shipbuilding endures, visit the galleries brimming with the culture of seafaring lives, and experience the bustling 19th century village of tall ships and historic buildings. Meet your NECS group for a luncheon at the Seamen's Inne and then spend the afternoon at your leisure, discovering the many sights and adventures that the Mystic area has to offer.

More Information and Special Needs

We encourage participation by all individuals. If you have a disability, two weeks advance notification of any special needs will help us to better serve you. For additional information call the New England Cancer Society at (207) 729-8707.

Program Directors

ANDREW SALNER, M.D.

Educational Objectives

This course is designated to enhance the knowledge and skills of the physicians involved in the management of cancer patients.

All scientific papers selected are based on scientific rigor, clinical relevance to the NECS membership, and potential impact on patient care.

The program will include lectures and audience discussion by way of proffered abstracts, scientific sessions, oral presentations, poster presentations, interactive sessions, and invited speakers.

Who Should Attend

This program is designed for the membership of the New England Cancer Society, associate members and guests. Non-member oncologists are cordially invited to attend.

Location

The Headquarters for the 61st NECS Annual Meeting will be the Royal Sonesta Hotel, 5 Cambridge Parkway, Cambridge, MA.

Phone: (617) 806-4255; **Fax:** (617) 806-4232

Directions: Go to www.sonesta.com/boston, call the Royal Sonesta at (617) 806-4255, or see map on registration form.

CME Credit

Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Harvard Medical School designates this educational activity for a maximum of 9 hours in category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Educational Support

We gratefully acknowledge the support of the following companies who have provided unrestricted educational grants as of the print deadline:

Alza, Pharmacia & Upjohn Oncology, Novartis Oncology, and Purdue Pharma.

Registration and Tuition

Early registration is advised by mailing the completed registration form. The registration fee includes course tuition, educational materials, breakfast, lunch & refreshment breaks, and CME Credits.

NECS members: \$90
(Includes all scientific sessions and social functions)

NECS non-member physicians: \$90
(Includes scientific sessions only)

Residents not presenting papers: \$45
(Includes scientific sessions only)

Residents presenting papers will automatically be registered for scientific sessions only. They are invited to attend all social functions as guests of the Society, but are asked to register for those functions they wish to attend.

Cancellation Policy

If you cancel your registration before **November 6**, the total (program, registration fee & social event registration fee) is refundable less a \$25 processing charge. After that date, no refunds will be given for any reason — including weather and other emergencies. Substitutions are always acceptable with prior notification.

Deadline

Pre-registration will be closed when space is full or at 5:00 p.m. on **November 6** at the latest. Registration should not be mailed unless receipt by that time can be guaranteed.

Confirmation

Meeting registration confirmation will be sent upon request only.

Weather Emergency Policy

While the probability of delay or cancellation of the program is highly unlikely, we recognize that we are all subject to the capriciousness of New England weather. If a weather emergency does occur and you are in doubt as to whether or not the conference will be held, call the Royal Sonesta Hotel at (617) 806-4255 after 6:00 p.m. on **November 9**.

Please make checks payable to: New England Cancer Society. Mail check and registration form to:

New England Cancer Society
901 Cundy's Harbor Road
Harpwell, ME 04079

About Boston

Boston, one of New England's largest cities, is rich in history, commerce, education, culture, and visitor activities, and can justifiably be called the hub of the six-state region. Many of the reasons to visit Boston include its fine dining, arts and culture, historic architecture and museums.

NECS Meeting Headquarters

Standing along the Charles River, the **Royal Sonesta Hotel** offers sweeping Boston views, magnificent accommodations, choice dining and a luxurious health spa. The hotel's ideal location places guests in the midst of the area's finest shops, museums, historic sites and restaurants. A courtesy van runs from the Sonesta to Massachusetts General Hospital and other selected points on a

regular schedule. Just three miles from Logan International Airport, the Royal Sonesta is minutes from downtown Boston's financial district, the Boston Public Garden and the Fleet Center, with easy access to the historic waterfront, Faneuil Hall and the Freedom Trail. MIT and Cambridge's high-tech centers are less than a mile away. The Royal Sonesta is directly across the street from the city's newest waterfront shopping area, the Cambridge-Side Galleria, and next door to the Museum of Science.

Accommodations

Participants are responsible for their own accommodations. Rooms are available at The Royal Sonesta Hotel at a discounted rate for meeting participants. A block of rooms has been reserved for the nights of November 10-11, 2000. The reduced conference rate for these nights is \$190.00 per room per night for single or double occupancy. There is a \$25 charge for each additional person in the room. There is no charge for children 17 years or under when sharing a room with parents. A 13.15% hotel tax is applicable. To reserve accommodations, call the hotel directly at 617-806-4255. Be sure to mention the New England Cancer Society Fall Program to receive the conference rate.

*Other events have been scheduled for these dates in the Boston area so we strongly encourage you to reserve accommodations early to guarantee room rate and availability. The conference rate is available only until **October 13, 2000**.*

NECS Social Events

The NECS reception on Friday evening will be held at The Museum of Fine Arts, Boston's largest museum, which stands in Boston's Back Bay. With more than a million objects in its permanent collection, the MFA is one of the great museums of the world. Its core collections reflect the broad tastes and interests of the "monied" 19th-century Boston collectors who founded it. Its art collection represents nearly every culture of the last 5,000 years. The museum's large exhibits of American, Asian, ancient Egyptian, Greek, and Roman art, and French impressionist paintings are especially outstanding. The reception will be held in the beautifully renovated Fraser Court, adjacent to the Lane Collection of American Paintings.

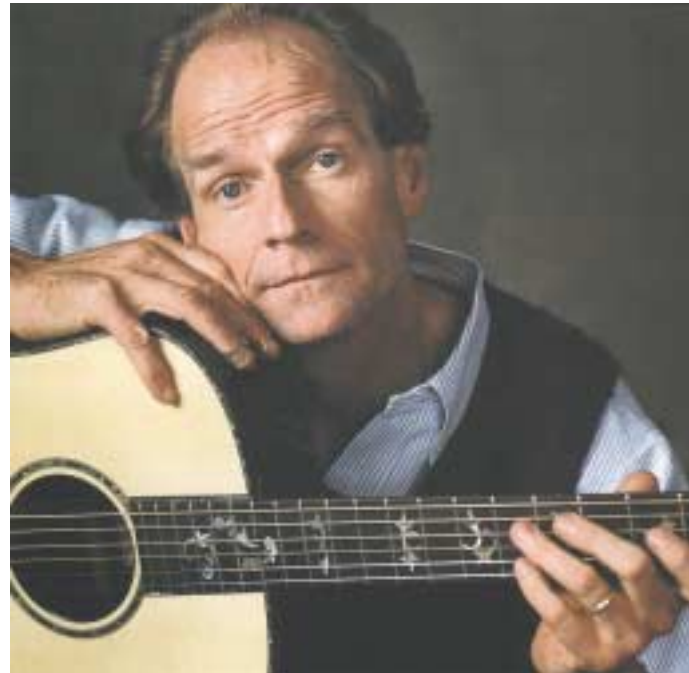

Livingston Taylor in Concert

Following the Annual Presidential Banquet on Saturday evening, NECS members and guests will be entertained by "the ultimate crowd pleaser," Livingston Taylor. Labeled by the critics as "an unrepentant romantic, with a razor-sharp mind, a biting sense of humor, and a quirky view of the world ..."

(Wood and Steel Magazine) and "one of the most consistently entertaining, tasteful, and intelligent of songsmiths ..."

(Dirty Linen Magazine). Livingston "... has a subtle way of working a crowd and the obvious gift of pleasing one ..."

(The Courier-Gazette, Rockland, ME).

Guest and Spouse Program

Saturday's program will feature an Architectural Bus Tour of Boston. Boston is an architectural showcase spanning three centuries of work from Charles Bulfinch to H.H. Richardson to I.M. Pei. From The Government Center, Faneuil Hall, the State House and Back Bay to Beacon Hill, informative guides will lead you back in time to sense the history and artistic traditions that shaped the magnificent buildings of the city. As a portion of the tour includes wandering the streets of Beacon Hill, comfortable walking shoes are recommended. Free admission to the MFA is included with the tour, so participants have the option of the spending a leisurely afternoon there. Also recommended is the Isabella Stewart Gardner Museum (one block away) with its collection of paintings, sculptures, and decorative arts, and its lovely Venetian-inspired courtyard in bloom.

Activities for Guests & Families

Boston's Museum of Science stands on the Charles River Dam Bridge, a very short walk from the Sonesta Hotel. The Museum is on the cutting edge of science education, developing innovative and interactive exhibits and programs that both entertain and educate. The museum includes the Omni Theater and Charles Hayden Planetarium, with many interesting and educational programs shown daily.

Powers of Nature: A new exhibit opening this fall will feature tornadoes shooting a plastic straw into a telephone pole like an arrow into a bull's-eye; hurricanes capable of bending a tree trunk to a 90-degree angle; and lightning generating enough heat to turn sand into glass. In this traveling exhibit developed by The Franklin Institute in Philadelphia, witness amazing evidence of

Activities for Guests & Families (continued)

nature's strength and unpredictability. Then delve into the science behind natural disasters — how they are studied and predicted, how they affect our lives, and how we can protect ourselves.

Visit the **New England Aquarium** on Central Wharf, with more than 2,000 aquatic animals from starfish to piranha, as well as sharks, turtles, penguins, and sea lions. Play at the **Children's Museum** in South Boston was never so much fun, or as educational, as in this renovated Fort Point warehouse with four floors of activities (and a couple of labyrinths in between). The **Arnold Arboretum** in Jamaica Plain is a 265-acre park and forest with over 6,000 kinds of trees and shrubs. Designed by America's first landscape architect, Frederick Law Olmsted, this historic landmark is the oldest arboretum in the country. In addition, both the Bruins and Celtics are scheduled to be in town at the **Fleet Center**. Discount coupons for many area venues will be available at the NECS registration desk.

More Information and Special Needs

We encourage participation by all individuals. If you have a disability, two weeks advance notification of any special needs will help us to better serve you. For additional information call the New England Cancer Society at (207) 729-8707.
